San Sebastian

# Welcome

Dear member,

We're happy to have you as a member, welcome to The Social Hub San Sebastian!

We aim to provide you a first-class service, so you can focus on your business or project. If you have any questions, please do not hesitate to contact a The Social Hub community host – we are there to help you. If you have a problem or a question about any of the facilities, please inform us as soon as possible so we can resolve the issue as fast as we can.

We are all here to work hard and to have fun. Our policy is simple; respect the building and everyone in it. We have therefore established several house rules to ensure the building remains as beautiful and clean as possible, that it is always a productive place to work and that all members can make fair and equal use of the facilities. The Social Hub reserves the right to amend the rules from time to time.

**This must be  
the place**
