Amsterdam City

Welcome

Dear member,

We are happy to have you as a member, welcome to
The Social Hub Amsterdam City!

If you have any questions, please do not hesitate to contact a Community Host – they are there to help you. If you have a problem or a question about any of the facilities, please inform us as soon as possible so we can resolve the issue as fast as we can.

We are all here to work hard and to have fun. Our policy is simple; respect the building and everyone in it. We have therefore established several house rules to ensure the building remains as beautiful and clean as possible and that all members can make fair and equal use of the facilities. The Social Hub reserves the right to amend the rules from time to time.

Once more, we are happy to welcome you as a new member at The Social Hub and hope to provide (with support of these House Rules) the most enjoyable experience.
