THE STUDENT EXPERIENCE,
REIMAGINED

SAFE & SOUND

AT TSH, our complete connected community is at the heart of everything we do. Now more than ever, student safety and wellbeing remains our top priority. As we stand together against COVID-19, we have put strict health and safety measures in place that ensure students are as safe, protected and connected as possible. While cancellation policies remain bespoke per collaboration, extra flexible termination policies are in place should students need to terminate their contracts earlier due to COVID-19. For the latest cancellation conditions please refer to: www.thestudenthotel.com/terms-and-conditions/

WHAT WE OFFER YOU

Amsterdam is a city where multiculturalism is celebrated and individualism is encouraged. That's exactly why we have two hotels here, providing an inspiring home for students and young professionals in the making. With 707 rooms, our first

stylish location – **TSH Amsterdam West** – sits in a converted 1960s office block, just metres from a regional hospital, metro and tram stations. Our second, 574-room hotel – **TSH Amsterdam City** – is a short bike ride to the city centre, boasting two huge auditoriums and meeting spaces to suit every need. Both properties include a modern gym, on-site restaurant and co-working facilities.

STUDENT ROOMS

Semester stays include flexible check in dates throughout the year (minimum 88 night stay).

Group packages for 10 or more guests can be customised throughout the academic year.

A NEW WAY TO LEARN

From extra study spaces and lecture halls to exam facilities and meeting rooms, our Social Learning Spaces are fully customisable to deliver a diverse on-campus experience for your students. We offer spaces for extra study areas, temporary exam halls, lecture halls, co-working spaces, online conferences, meetings & events.
